1. Who can see My handwriting in these words, these words of Mine, these words of My mind, My heart, My blood are, yea veins in My imagination not but Zion are. I love you.

2. See what I have said/declared and love Me/My Zion redeemed and redeeming others through the door I now open to the hapless, harpless, heartless who lay all down to pursue One/Heart with One, Me. Yea, I love you.

3. Into Me see/seeing My kingdom of righteousness, holiness, and mercy; and gather together My eagles who scout and report and gather and make way for the young to be nurtured by only Me. Watch Me. I love you greatly.

4. I am thine oh Ted. I have heard thy voice and it tells of My love for Me, and who can know the power of lovewords/words of love? I am love.

5. Who wants Me enough to do what you are doing, saying, praying, receiving, pre-serving not, but letting My all flow, rivering My torrential flow to become great seas with captains on sailing-verses of Me on Me. I love you.
See.
Your words/Mine.
I love you Ted.

6. Rest-er in/of Me; yea giving Me rest, entering rest, being rest, showing/modeling rest and resting: stands and leads all in to My door not to return not, but to seek/find safe passage; and lighted path by one so simple, no airs, no pretence, little pomp and circumstances of only Me, surrendered, surrenderer, Great Surrender Leader, yea meek man of mightyness I give you; one lad not, full grown and growing still. And will you ever stop? Nay, I hope not, I declare not. I decree not, and you My friend choose not, for choice already made long ago. Long. I love you.

7. I give you Me at touch/thought. Speak/emit the motive.

8. It all comes. It's there. I Am. Tutelage by who? I Am: made up of Many. Thank you.
Amen.
